```
graph LR; A[es.deusto.client.gui.BuyTickets.BuyTickets] --> D[es.deusto.client.Client.switchToHomePage]; B[es.deusto.client.gui.EditProfile.EditProfile] --> D; C[es.deusto.client.gui.Login.Login] --> D; E[es.deusto.client.gui.MovieSearch.MovieSearch] --> D;
```

The diagram illustrates a central method call from multiple GUI components. Four boxes on the left, each containing a package and class name, have arrows pointing to a single box on the right. The boxes on the left are: 'es.deusto.client.gui.BuyTickets.BuyTickets', 'es.deusto.client.gui.EditProfile.EditProfile', 'es.deusto.client.gui.Login.Login', and 'es.deusto.client.gui.MovieSearch.MovieSearch'. The box on the right is 'es.deusto.client.Client.switchToHomePage'. All arrows are blue and point towards the right box.
