

es.deusto.client.Client.main

es.deusto.client.Client.add
Movie

es.deusto.server.IServer.add
Movie

```
graph LR; A[es.deusto.client.Client.main] --> C[es.deusto.server.IServer.add Movie]; B[es.deusto.client.Client.add Movie] --> C;
```

The diagram illustrates a dependency or call relationship. On the left, two white rectangular boxes represent client-side methods: 'es.deusto.client.Client.main' (top) and 'es.deusto.client.Client.add Movie' (bottom). On the right, a gray rectangular box represents a server-side method: 'es.deusto.server.IServer.add Movie'. Two blue arrows point from the right side of each client box to the left side of the server box, indicating that both client methods invoke the server method.
