

es.deusto.server.jdo.DAO.delete
Movie

es.deusto.server.Server.get
SessionsForMovie

es.deusto.server.jdo.Movie.get
Sessions

```
graph LR; A[es.deusto.server.jdo.DAO.delete Movie] --> C[es.deusto.server.jdo.Movie.get Sessions]; B[es.deusto.server.Server.get SessionsForMovie] --> C;
```

The diagram illustrates a dependency or relationship between three methods. Two methods on the left, 'es.deusto.server.jdo.DAO.delete Movie' and 'es.deusto.server.Server.get SessionsForMovie', both have arrows pointing to a third method on the right, 'es.deusto.server.jdo.Movie.get Sessions'. The rightmost method is highlighted with a gray background, indicating it is the target or a central component in this context.
